JOBS, JOBS, JOBS IN THE CCC ... **LEARN MORE IN VALLEJO FEBRUARY 10-11, 14-15**

The California Conservation Corps is guaranteeing jobs and giving area young people a chance to learn more about them.

The CCC will offer orientation sessions in Vallejo Thursday, Feb. 10 and Friday, Feb. 11, and Monday, Feb. 14 and Tuesday, Feb. 15. The sessions will be held at the Employment Development Department One-Stop Career Center, 1440 Marin Street in Vallejo. CCC staff will be on hand from 9 a.m. to 5 p.m. each day; parents are welcome to attend.

The CCC has immediate openings for full-time positions at several residential centers throughout the state. Applicants must be between 18 and 25 years of age, California residents and not on probation or parole. Women are encouraged to apply.

Training, job skills, outdoor work, career direction and more ... all this is part of the CCC. Corpsmembers work each day on a variety of natural resource projects, from trail building to park development to fish habitat improvement. CCC crews are also dispatched to floods, fires, earthquakes and other natural disasters.

To learn more about the CCC, drop by one of the Vallejo orientation sessions or make an appointment by calling 1-800-952-JOBS (5627). Information on the California Conservation Corps is also available on the Web at **www.ccc.ca.gov**.
